

Rocca Sveva opens its doors to the wine tourists in security

The Rocca Sveva winery is pleased to welcome its wine lovers to discover the natural caves dug under the majestic Soave castle, guaranteeing an experience in compliance with the current sanitary regulations.

Our security protocol provides the following:

At the entrance you will be asked to sign a self-certification form: access will not be allowed in cases where in the 15 days prior to the visit you have shown flu symptoms, or you have come in contact with people who had them.

At the entrance we will measure your body temperature. If it is higher than 37.5 or you have other flu symptoms, the access will not be allowed.

The entrance is allowed only to the subjects that have one of the green certifications COVID-19 that will have to be exhibited.

Remember to wear a surgical mask or FFP2 or FFP3 mask without valve, necessary for all the experiences in the cellar that will have to be booked in advance.

The entrances will be quoted respecting the capacity of all spaces used.

Hand cleaners will be made available in several places.

You will be asked to respect the safety distance of 2 meters between each person. During the tour you must stop on the points indicated on the ground to maintain the distance.

The final tasting will take place in special corners with single spaced seat, and we will offer you baked food in single portions.
